

Coaches / Athletes / Parents –

We want to thank you all for attending the Walt Disney World Cross Country Classic today and we are certainly looking forward to seeing many of you back at the course tomorrow, along with many new faces as well!

Your collective patience with the inclement weather today was very much appreciated! The safety of all of our guests is always our first priority and with your positive attitudes you all brought a little “Disney Magic” with you to the XC course! It made all of our jobs much easier today – so thank you!!!

We are able to do many amazing and magical things at Disney World, but we have yet to figure out how to control the weather – particularly lightning – but we are working on it!

We have made a few slight changes to our schedule of competition for tomorrow (listed below):

We have added Combined Varsity sections for 1A/2A boys & girls and have combined the Varsity sections of 3A/4A for boys & girls.

Updated schedule for October 6, 2012:

Middle school boys will only be scored against middle school boys and middle school girls will only be scored against middle school girls.

Any spectators who purchased a ticket for admission today will not be re-charged for admission if they come back as a spectator tomorrow. Spectators who purchased a ticket today and were unable to use it, need to return to the box office tomorrow and they will be issued a “Rain Check” ticket for entry.

Any teams who were unable to compete and cannot return tomorrow, should contact the Sales Team at 407-938-3803 beginning Monday, October 8, 2012

We look forward to seeing you at the course tomorrow!
