The 2005 Running Wild
Justin Gatlin Invitational

Pensacola,FL

Dear Coach,

Woodham High School is proud to announce the Inaugural running of the **Justin Gatlin Invitational Track & Field Meet sponsored** by **Running Wild** on Saturday, March 5th, 2005.

Justin Gatlin is a Graduate of Woodham High School, class of 2000. He went on to the University of Tennessee where he was the NCAA Champion in the 100 & 200-meter sprints in both 2001 & 2002. He turned PRO in 2003 running for Nike and this past year won a Gold medal in Athens in the 100m, a Sliver in the 4x100 and a Bronze medal in the 200 meters.

We will be honoring Justin on March the 5th and this will be an excellent opportunity for you & your team to meet the Olympic Champion. (See the meet schedule.) **Justin will also be giving a pair of his Nike G5 shoes to the winner of both the girls & boys 100 meters.**

This past summer Woodham built a fully functional 8-lane 400-meter track. We have newly resurfaced jump pits for the boys & girls. There is also a regulation FHSAA pole vault pit with a rubber runway. **We will be using fully automated timing by Half-Mile Timing. The results will be posted in real time on Flrunners.com.**

We will run one division for both boys & girls. Medals will be awarded for first place & ribbons for 2nd through 6th place. There will also be 1st & 2nd place team trophies for both boys & girls. We will provide a coach's hospitality room and there will be a full line of concessions for athletes and fans at our concession stand.

This meet will be run in a timely fashion so there will be a meet cutoff at 24 teams. If you plan on your team attending it is important that you respond as soon as possible!

Start the season off right by joining us for the Justin Gatlin Invitational at our new Track & Field Complex. Please return the entry form as soon as possible to insure your teams participation. **The entry deadline for the first 24 teams to commit is Feb. 25, 2005.** This event will be covered by our local media so we also ask that you complete the short bio on your team with any State caliber athletes you may have attending.

See you at the track,
