

2008 Alachua County Track and Field Championship

Hosted By Gainesville High School

The 2008 Alachua County Track and Field Championship will be held on Wednesday March 26th, at The University of Florida Track Facilities (Percy Beard). The UF track has a new Mondo surface. The track is one of the fastest and finest in the nation. This will give our county track athletes an opportunity to compete on a world class track, in front of their families and friends, without traveling out of town. The meet will be timed by halfmiletiming (FAT). We will also use the new score board for instant result. Rick Quintana will serve as the meet announcer.

Team Champion and runners up trophy up will be awarded. Individual ribbons will be given to the first three places in each Varsity Event.

Entries must be entered into www.directathletics.com by Friday March 21st before 11:59pm. Five entries per in running events. Only the top three places from one team will be scored. Field events are limited to three entries in each event. Three attempts in throws and jumps, no finals. High Jump opening height will be 4'4" for girls and 5'6" for boys.

By entering five in each event we want have to do consolation races.

Entry fee is \$75.0 per girl's team and \$75.00 per boy's team. The Meet is sanction by FHSA and all such rules apply.

Only athletes in full running uniform top and bottom will be allowed to enter free. Recovering cost associated with this meet is critical in continuing the use of this great facility.

GHS will assume contract responsibilities for the meet. However each school will be accountable for their kid's actions and behavior (damages and additive fees not on contract). All athletes are asked to sit as a team and each Head Coach is asked to have Supervision of their team at all times during the meet. *No Team is allowed to camp out under the stands without direct Supervision at all times.* GHS holds all rights in the marketing, of this meet, to off set fees in hosting this meet.

Gate entry is \$6.00
