SHOW and GO

We will be going with the 'show and go' option. There are no meet entries. This will make life easier on us before the meet.

However!, it necessitates that we all:

#1 double check our team rosters (attached) and send in any changes

#2 hand the correct bib # to each athlete

#3 communicate to our athletes what they are competing in before they arrive

Athletes that come up 'unknown' will be left out of the results and will not score.

Changes to your team roster must be submitted before Tuesday afternoon.

****Please tell your athletes that if they jump a fence, they will be disqualified from the meet.****

Entry Limits

ENTERING OF A VARSITY ATHLETE IS PROHIBITED AND CONSIDERED UNSPORTSMANLIKE CONDUCT

One relay per school

Unlimited in the 100m (only four can score)

4 entries in the 100/110h, 200, 400, 800m and 1600m

Unlimited in the 3200m (only four can score, also you may have some of your athletes step off at 1600m and call it a race but you will need to get their times)

Unlimited in the field events. However, professional courtesy is requested! This is not the meet to have an athlete try it out for the first time. ;)

You do not need to declare any entries. The first four kids that show up will be put into a heat. The others will be politely reminded of the entry limitations per school.

Schedule

5:00pm
