12:00 PM - Coaches Meeting in the Colmery Skills Center (under football stadium next to tennis courts)  
Meet Director: Dan Dearing Meet Referee: Pat Crandall

Timing: Scott Peters (Half Mile Timing)

Admission: \$5.00

Jury of Appeals: Will be announced at the Coaches meeting. A head coach must first consult with the meet referee to discuss all potential appeals. If the coach feels that the terms and conditions of competition or the application of the rules have been misapplied or misinterpreted after consulting the referee, a written appeal shall be made to the jury. The referee will have the proper appeal form.

Situations subject to appeal include: 1) Misapplication of the rules, which must be filed within 30 minutes of the announcements of results. 2) Correction of Clerical or team scoring errors which must be made within 48 hours of the end of the meet. 3) Correction of meet results involving an ineligible participant which may be made at any time when discovered. 4) Failure to follow a procedure contained in the terms and conditions of competition announced in advance by the meet director, such as time schedule, advancement of athletes, ....

Situations not subject to appeal include: 1) Any judgment decision pertaining to violation or alleged violation of the rules. 2) A decision made by the timers that does not involve misapplication of a rule or the terms and conditions of competition. 3) Whether a start is fair and/or legal.

Excused Competitors: A twelve-minute time limit has been established by the games committee for excused field event competitors to compete in another event. The twelve minutes begin when the athlete checks out of an event.

Scratched Competitors: A contestant who is entered in an event in a state series meet on any level and is later scratched from that event will be disqualified from participating in all remaining events in the meet. We will not be re-seeding any prelims after the scratch meeting. If there are significant changes in the events without a prelim (400/800/4X400), we will re-seed these so that the fast heat is full.

Warm-up area: The warm-up area is the back field, near where the athletes will enter that track at the clerks table. Athletes will be given enough time to do some strides on the track before their races begin.

Athletic Trainers: Will be available beginning at 1:00 inside the track area.

Relay Cards: Will be filled out by teams as they check in at the clerks table for finals only. Only the four athletes competing need to be on the card. You may, of course, change relay squads at the state meet.
