200
Invite 3200 Top 16 entered
4x400

Spectator info:
Seating is limited
NO Spectators ON INFIELD or on TRACK

- If you have not made your payment, please do so. All teams are \$125 or \$200 per school. Make checks payable to CSN c/o Track and Field.
- Make sure you are clear about the meet entries. **We are only allowing 2 athletes in the Field Events.** I am sorry about this, but we only have one jumping pit and would like to have all field events finished before the start of the running events. If you enter 3 people in the event, we will scratch your last-ranked athlete. In throwing and horizontal jumps, the athletes will be given 4 attempts. Barron Collier boys' team has volunteered to run the Discus and their girls' team will be running the long jump. If any teams can spare a coach to help out with various events that would be great.
- When you arrive at the meet, please have your bus drive to the second entrance on Osceola Trail (the back access road). The bus will do a U-turn and drop off the athletes on that back access road. Team camps will be allowed to set up along the fence on the West side of the stadium. The access road will be closed for the day and will be used as a warm up spot. Buses will then park in the parking lot near the construction zone.
- If your athletes are driving themselves, have them park in the parking lot in front of the Field House.
- Athletes will use their uniforms for entry into the stadium. Parents and Spectators will be charged at the gate and given a wristband to come and go throughout the day.
- Coaches, I do not mind if you are on the infield at any times, but I do ask that your athletes be kept off the infield. They will be allowed to use the access road, the practice football field to the south of the track, and the backstretch of the track (when available) for warm-up.
- Seating on the home stretch is very limited, which is why all teams will be required to camp on the west side of the track against the fence on the west side of the access road. Please tell your parents and spectators they may want to bring a chair to sit along the fenced areas on the east side of the track (home stretch side)
- Restroom Facilities for athletes will be available on the west side of the track. 10 brand new Port-O-Potties will be brought in Friday afternoon for the athletes. Coaches and spectators may use the restrooms connected to the press box/concession stand.
- All running events will check in at the 200-meter start area and then athletes will be escorted to the start line for their event(s). Field events will check in at their respective field event.
- There will be an athletic trainer on site stationed around the finish line. He will have ice for athletes
- Johnsonville will be sponsoring a concession stand for all.
- There will be a coach's hospitality tent at the start of the 110HH for coaches to get some shade if needed and some refreshments.
- Please note the schedule for the 1600 and 3200. We will be running the slower heats of the 1600 and 3200 in the morning so we can move the meet along a little faster in the afternoon.
